

SENDTRIC
COOKIE POLICY

1. What are cookies?

Cookies enable us to customize and personalize your experience on the Sendtric website, including keeping you signed into your account, and personalizing the site for you. Essentially, a cookie is a small amount of data that is sent to your browser from a web server and is stored on your computer's hard drive.

2. How do we use cookies?

We use cookies for different purposes in connection with the operation of the Sendtric website:

- Upon request, we will save your username and other account login info, so that you can stay signed in and do not have to re-enter it every time you visit our website. In providing you with this service, we use cookies.
- We may use cookies to analyze our userbase and usage patterns, using services like Google Analytics and Mixpanel. Each browser accessing our website may be given a unique cookie that is then used to determine the extent of repeat visits and their activity during those visits.

3. Do you have choices about cookies?

Yes, you have several choices with respect to cookies. You can modify your browser preferences to accept all cookies, to notify you when a cookie is set, or to reject all cookies.

However, the Sendtric website uses cookie-based authentication. If you choose to reject all cookies, you may not be able to log onto your account or use our services.

If you have any questions, please contact us at support@sendtric.com.
